## PROJECT MANAGER

Are you looking for the next step in your career, and do you want to challenge yourself with some of the most demanding tasks within the project forwarding industry?

### About UPF

UPF Denmark ApS is a full-service logistics provider operating worldwide. Our logistics solutions utilize not only our offices, but also our wide network of valued partners. We are a newly established company, but based on many years of experience and long-standing partnerships. Our office is located close to the center of Silkeborg, Denmark

### Job description:

As a project manager you will have a great variety of tasks such as:

- Handling inquiries and quotations
- Execution of domestic and international projects
- Site and port surveys when required
- Trucking, sea freight, port activities and air freight
- Responsible for invoicing clients, and booking of invoices from suppliers
- Build and maintain own client portfolio
- Some travel required during project execution and when visiting clients and suppliers

### Candidate Qualifications:

- Educational background in the industry of freight forwarding / shipping
- Minimum 5 years of experience within the industry
- Have a positive mindset
- Motivated by new logistics tasks, in a highly diversified industry
- Ability to stay organized and professional in a fast-paced environment
- Motivated by results and negotiations on all levels in an organization
- Self-motivated, but can also work effectively as a team member

### What can you expect:

- A young company with a focus on entrepreneurship
- High level of self-determination and freedom to make decisions in your daily work
- Long term career plan tailor-made for you
- We are aware that we are not a green company by nature. Therefore, we need to help each other to focus on being sustainable in all our steps through the chain
- As a team we highly value our collaboration to improve the sustainability of the industry
